Purpose of the Facility Enhancement Committee

Assess current needs and possible future needs of the facility that are beyond the scope of Building and Grounds

Provide regular updates to the church body and avenues for congregational feedback

Provide possible solutions to address current and future needs for the congregation to consider and vote on as needed

Where We Are Currently

1. Building Assessment: Performed a thorough assessment of the facility

2. Conceptual Design: Partnered with Catalyst to explore potential solutions and develop preliminary concepts.

3. Congregational Feedback: Sharing the concepts and gathering input from the church. *(Current Step)*

LCC Values we shared with Catalyst

- Education
- Fellowship
- Corporate Worship

Current needs we shared with Catalyst

Children's Ministry (Sunday School and Awana)

- Currently have 4 classrooms that seat around 15 students comfortably, max out around 20.
- As of August, all 4 rooms are at or above 15 students for Sunday School, Awana classes average 20+ students

Ideal Children's Ministry Space Solution

- 6 classrooms fitting anywhere from 15 – 25 students, with handicap accessibility

Current needs we shared with Catalyst

Adult Sunday School

- Currently have 2 classrooms; 1 upstairs with accessibility challenges, 1 downstairs with layout challenges

Ideal Adult Sunday School Space Solution

- 4-5 classrooms available on the first floor
- Seating for around 25-35 adults comfortably
- Possibly a larger space for larger group options

Current needs we shared with Catalyst

Coffee Bar area

- Currently serves the fellowship aspect on Sunday mornings well, can cause traffic flow challenges.

Ideal Coffee Bar area solution

- Would stay at the front of the church, but possible be designed in a way that allows for healthier traffic flow.

Current needs we shared with Catalyst

What options are available within our current footprint?

- **Renovating within the current footprint is generally more cost effective than building expansion** (new construction costs, insurance on larger building, utilities and maintenance on larger building, etc.)

Catalyst Concept 2nd Floor

- Move exterior hallway to interior of building.
- Open up second floor to first floor.
- Add elevator.

DISCIPLESHIP
& BIBLICAL COUNSELING

Catalyst Concept 1st Floor

- Move pastoral offices to 114/115 (adds additional classroom)
- Move admin office to 116 (opens coffee bar)
- Move library to Pastor Kendall's current office

FAITH & FOAM
COFFEE

A Welcome to All of Christ
To Know Christ & Make Him Known
WORSHIP CENTER

Possible Gym Concept

- Combine current conference room and prayer room
- Add second floor classroom above conference/prayer rooms
- Add second floor classroom above current storage room
