

**Walking through  
questions of faith and  
baptism.**

This booklet is intended to help you study and think through questions on faith and baptism. Take time to pray and consider what God says in the Bible about each question.

As you read the questions on each page, you will see that there are verse references to help you in your study. Feel free to study out additional verses and passages that may come to mind. There is also space included to journal your thoughts.

Ultimately, we need God to open our hearts and minds to understand what the Bible says about who Jesus is so that we can believe in him as our Savior. It will be important to spend a lot of time talking with God in prayer as you study through this booklet.

It would be healthy to have conversations with your parents about these questions and topics if you are able. If you don't feel that you are able to have these conversations with your parents, please reach out to an elder, a church mentor, or a Sunday School teacher so that we can walk with you.

**“For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.”**
