-----------	---

Sign In and Sign Out Information

Children are signed in and signed out at the same table each night. Once children are signed in, you will receive a sign in ticket for each child. At this time, everyone is welcome to eat dinner in the gym and have children ready for Awana to start at 6:00. When arriving to pick children up at the end of the night, make sure to have your sign in tickets with you. Once you have turned in the tickets for your children and signed them out, we will bring them to you starting at 7:30.

Awana Memory Verses

All of the Awana classes will spend time learning the same verse over the course of 4-6 weeks. We will the current memory verse during the pledge time at 6pm, in the individual classes, and at the end of the night during our worship time. Teachers will also spend time in the classes encouraging questions and discussing what the verse means and why the verse matters for our lives.

When we move to a new verse, a sheet with the information will be sent home with the Awana students. This sheet will include the verse as well as ways to discuss what the verse means and why the verse matters at the different age levels. **It's our prayer that this verse sheet will help you continue the conversation about the verse at home!**

Since the students will learn the verses together, we won't have the memorize the individual verses in their books. **However, we strongly encourage the student to spend some time each week doing the homework in their books!** The homework is an important element in helping the teachers know how to engage well with the Awana students. For T&T and Trek, points leading to awards throughout the year will be given for attendance, bringing a Bible, bringing the Awana book, and having attempted the homework.
